hahah

i mean wtf..

i start streaming my video training.. as i'm watching i say
"let's browse Ren-forums" so i get here.. i get attacked..
then my internet slows down to nothing!

hosting the pix took forever

i was gonna go and download another Firewall
just to see if i could get the same results..
but i couldnt.. i had a transfer rate of friggin 2.4k!

so i got pissed and just left lol

i had a total of 305 attacks when i got back
