kawolskyEnglandAircraftkillerYou guys obviously don't know how to use a Mammoth Tank.

It's the most expensive, and powerful, tank for a reason. A very good reason.

Sorry Master ACK, you obviously know all..

All hail the allmighty ack and his crappy style of being a w****r

You do realize this forum isn't censored? :rolleyes:

Nodmama, that's fine. It's understandable to get pissed off because people on your team have shit-for-brains. Lets just keep the threads from being redundant here. I'm sure we've heard the anti-Mammoth Tank argument plenty of times.
