pa·tri·ot·ic : Feeling, expressing, or inspired by love for one's country.

Whether you love Bush or hate Bush, agree or disagree with his actions and agenda. Support the New York Yankees or the New England Patriots, watch sports, drink beer, smoke illegal or non-illegal substances, are gay, hetro, black, white, poor, rich or green and disfigured; if you love your country you are a patriot....all the rest is freedom of speech and your own opinions. (One of the greatest things about living in a free country)
