I'm starting a new mod called Viron Wars. I'm basically changing the look of alot of the game models. I'm going to change: weapon models, character models, and projectiles. I'll do some vehicles and maps too. If anyone can help with any of this, just gimme a shout: boomstick420@gmail.com. Tell me what you wanna help with and I'll give you some ideas. Anyone who helps WILL get FULL CREDIT in the mod. I need help for: skins, maps, vehicles. The mod theme is futuristic, Aliens(NOD) Vs. Humans(GDI) and both sides make use of robots and vehicles. If anyone is interested in helping or just wants occasional updates, just send me an email.
