Sir Phoenixxj4S[p]

So, funny how you don't like being called 'ACK' or 'AssCrackFiller", yet you continue to call people what their name tag says that they are not. You're a fucking hypocrite. :rolleyes:

Treat others the way you want to be treated, jackass.

Right, and I'm guessing you wouldn't like to be called a "fucking hyprocrite" or a jackass, so according to you, you're a hyprocrite.

Not liking something being done/said to you while doing something similar to someone else isn't hypocritical.

No. He deserves to be called rude names if that's what he's doing. All he does is make fun of people's work, call people who actually stick up for those people idiots, and work on his mod that he refuses to show in-game models in. ACK, AssCrackFiller, or AircraftKiller, you need to shut the fuck up and start being helpful to everyone on this forum.

re-spect Pronunciation Key (r-spkt)

tr.v. re-spect·ed, re-spect·ing, re-spects

1. To feel or show deferential regard for [someone, myself]; esteem.
2. To avoid violation of or interference with: respect the speed limit.
3. To relate or refer to; concern.

#1. Shows exactly what I'm doing. That is because I am helpful to people when I know what is wrong, instead of saying the model looks like plastic, I tell them exactly what is wrong. I've never gone up to a model someone has made and just said "It sucks".

Seriously, ACK and his ass kissers, get a fucking life. You get what you deserve.
