Thanks Icedog. Thats way more, than I thought.

So looking at in, let's say in half a year will show a tendency.

Don't get me wrong, I won't Renegade see dying. Especially because it's the only online game I play (find lots of the newer ones too hectic). I was just preparing, that it might end in the near future.

Maybe a higher force is on our side that will make Renegade exist always and forever.
