---

I have finally set up the new FDS and BrenBot v1.41. I am setting up a 6 player server called the ~/~D5CS Mini AOW Server~::~

I would make this server bigger for like 32 players but as indeed i would need donations to get it up to that size. So until my dream of having a 32player server comes true it will be a 6 player mini server featuring tons of new maps.
