Quote:ACK you're seriously the saddest most hypocritical wanker in this community, you freak out when people call you ACF or ACK, hell you even have your forum filter change them to Aircraftkiller, and yet you call Laeubi "Loobie" not to mention

1. My name isn't ack, and if you call "My name isn't ack" freaking out, you've got a strange definition of it. There is nothing hypocritical about that, perhaps learning what a hypocrite is would be better than throwing words around to look more intelligent than you are.

2. I'm not sad at all. I'm quite happy.

3. I don't know what a wanker is, keep in mind that most of us wanted to separate from Britian because you guys like to make up a bunch of words for everyday items.

Quote:and you diss anyone's opinion in support of Reborn, even though on your forum you religiously preach:

4. Because Reborn sucks.

Quote:Forum Rules wrote:

Respect the beliefs of everyone else...

Keep your arguments focused on allowing a free exchange of ideas to ensue, not "well ur wrong cuz i think ur stoopid."

5. Those rules are part of my forum, not this forum, not my IRC channel, and not how I deal with Reborn when it isn't part of that forum. Each individual forum has its own rules. The political forum has those rules set up to allow a free exchange of opinions and ideas so that people can discuss issues of importance without someone turning it into a simple insult war you find everywhere else.
