Ok here is a better example. This is from a letter she wrote to me after i broke it off.

Copied word for word, nothing has been changed:

Quote:why love what u can not have? when live is so hard to be there 24 for 7. Ilove is hard to give up on so why do it. u and i need to be love way not love each other. u love me so u claim but maybe u are just play me like a toy but maybe u are not but loveit self is all u need to get through live and be there for one another and be happy.
