Reborn SucksQuote:Another thing , It's absolutely Hilarious how on the forums over at renalert it states at the top of the modification upates:

So you're telling me that I should expect everyone to act the same way everywhere, or that I should act the same way all the time because my forum rules were written up just for my forum?

I suppose it is hilarious that you really believe I should do so.

You make those rules... Although you don't follow them. (FYI yes I know that this is a different forum) That's slightly hypocritical.

Reborn SucksReborn sucks though.

You suck what?
