U927After reading the extensive log, I've come to the conclusion that there is NO way in hell that cowfisfit could have been joking all the time.

Cow, face it. You're a 14-year-old right-wing nutcase who thinks a good "A-rab" is a dead "A-rab". Have you actually read the Koran? The religion of Islam is a religion of peace, not war. It's the Islamic extremists, like bin Laden, whom preach that Allah wants Islam to go on a jihad against America. THE ACTIONS OF ONE MAN DO NOT REPRESENT THE FELLINGS OF ONE RACE. That's like saying all Americans are gun-toting psychos because of the two Columbine kids, or saying that all the Irish hate Britain because of the IRA.

You are owned. There is no way you can recover now.

I'm 16 about to turn 17, and im not a right wing nutcase. I'm a nationalist (spelt wrong).

These people have read the koran, now if these people have a brain in they're skull, when he says something that you say is "not" they're why would they listen?? It has to be they're in some form that or they are mindless fools who have no idea what they had just read.

YOur stupid ass liberals need to understand all these people understand is the gun. They understand war and death. We must fight fire with fire adn stop pissy footing around , we shoot first ask questions later. If they have a gun we shoot first instead of letting them kill our sons and daughters.
