Please re-read my post and think about it for 2 seconds.

"It's OK if some innocent people die, just as long as our asses feel a tiny bit safer."

Go Armchair Warriors!!!

Armchair warrior - Fat alcoholic screaming at TV support for US troops for making him/her and the US a safer place.

Is it worth it to have foreign civilians die so Armchair warriors are safer?

What if Iraq knew that the US was planning to attack them and attacked the US first and killed American civilians so that Iraq would be safer?

Some food for thought.

They are americans for one, and they are supporting they're nation. I dont' give a rats ass what race religion or w/e they are 5000 pounds or 10, it doesn't matter they support they're nation. They're something a lot more to inside of you tahn your saying, you hate america, you hate its people, you have a problem with someone saying "hey go out they're and do whats right, do what we've been doing for hundreds of years and fight to protect america and its freedom", You are scum sir.

yes it is fair to have foreign civilians die if we are protecting our troops and intrun mabey even protecting some american civilian lives.
