Spoonycowmisfityou hate america, you hate its people, you have a problem with someone saying "hey go out they're and do whats right, do what we've been doing for hundreds of years and fight to protect america and its freedom", You are scum sir.

classic cowmisfit, any viewpoint which doesn't categorically agree with yours is hatred of the USA.

If I disagree with something Tony Blair says, does that mean I hate the UK?

Classic spoony, misinterpent everything i say simply to try and make me look like an ass, Classic all liberals on these forums, say something the others didn't even ever post and hold it against them.

No you don't, you can say you dislike something tony blair says. He said that "armchair warriors" are bad, thats saying that you don't support them supprting the protection of your country.
