1000th Post

Ok here's my beef. P-ditty (<-- no idea if that is spelled right) is going to be the next james bond. He also has changed the name of bond to "Robert Ground" and instead of him being english....he is from harlem.

FG. According to him, it has been approved and will be out within 20 months.

WTF? Who would approve that? No. Just flat out no.
