Subject: What do you think?
Posted by Dave Mason on Sun, 13 Mar 2005 17:43:11 GMT

Talk to Incognito bout the forum version...

I'm talking bout my post there showing the web layout I'm working on.

Hopefully if it's good enough when it's done I can sell it, but seeing as I have never sold one before how much would this (when finished) retail at do you think?
