DJMLOL, pwnd crimson.

I wouldnt expect to see this guy again. He'll be having a nice suprise tonight. :twisted:

ur fuking kidding me u cant fucking hack, the only reson u havent seen me is because i was ip banned not, cuz u hacked me u cant hack shit u homo, btw i am 14 not 12, no i cant hack either, yes spamming ur forum was lame, i had nothin better to do, i do snowboard, and my bed time is 11:00pm... o yea i got a new toy HTTP flooder... i'm gonna test it... my ip is still 69.198.41.35, hack all u want, but i bet u wannabes cant even get passed win xp firewall...

and as for me having no life, well lemme tell u this at least i aint a 50 yr old father who plays renegade with his son, or a some fat chick who knows php and cant get a real job.
