Subject: Renegade Server Assistance?

Um, I was trying to run my Ren FDS and apparently I forgot my personal number. So I go to http://renegadeserver.westwood.com/ and it doesn't load. So how do I go about making a FDS if Westwood is gone!?

Or is because of some of the security settings on my computer that makes it so it doesn't load. Can anyone test that website for me to see if it's still up? Thanks!
