It's not deceiving at all. It's a great program. So much more flexible. When you return something, you have to return it before 12 noon on a certain day.

When I usually rent things, I rent on a saturday or sunday. That means that on either a saturday or sunday of the following week I would have had to return the dvd or game or whatever before 12 noon. I wake up at like 11:30 on weekends, so there's no way in hell i can make that. The extra week is much better.

Also when the program first game out, the cashier briefly explained exactly how it worked without me even asking him. They gave me a flyer too that outlines the program. Not deceiving. Truly GREAT program.
