your right ACK, I assume you'll show us your masterpeices you must have lying in your massive Design Portfoliio won't you? I thought not, now STFU and keep thinking of new ways to make fun of Reborn or wait for one of us to make a spelling error. And Just remember to keep those skin pics comming ACK, just in case someone says skin instead of texture again! It seems to be the only thing your good for, o wait, no thats annoying.

Who's ACK? [/insert] below this post.
