stealthkillerWith proxies, I try to find a dropped repair gun. If I can't find one, I either wait for some idiot (or very helpful teammate) to blow them up, or just try walkin in if there aren't that many. Ive seen people put only 2 mines in each door :rolleyes: dont ask me why

or u could be a chem warrior

Jzinskylt's only annoying when there's about 10 of them going off, in which case the game is pretty much over anyway.

or u could be tunnel beconing...
