AircraftkillerWhy don't you deth people just come out and say "The only reason we voted for deth river is because we're in the deth clan"? It's quite obvious that's the only reason you voted for it, because no one else is.

We like the map, because it was in our serverrotation for a long time and we enjoyed playing it. It's not just because we are or were in the clan that has a member who created it.
