haha was just in the MP CTF server and saw this moron. So i said :

"hey arn't you that guy that tried to bypass renguard but got caught ? lmao"

No response.

2 seconds later

"nopic1 is being forced to use Renguard"

Nopic says "wtf" ,then gets kicked hehe.

Suddenly Zunnie (him being the banner) made a funny comment from IRC can't remember what it was.

Chin up Nopic.
