deadfiveThis is the response I get to every post I make

TOPIC deafive, TOPIC, not post.

You have never heard of reply deadfive, every little tiny question about your website must have a topic to itself.

deadfive Since everyone hates my clan too

You don't have a clan, it was deleted remember?

deadfiveI have earned a bad reputation in the Renegade Forums

Good observation, you earned it! YOU did, don't blame us. Quit making ridiculous topics and grow the fuck up whining about your clan.

deadfiveAnd as for my clan goes.

What the fuck does that mean?

And most hated in the Renegade forums.

You want sympathy that badly?

Come back when you have grown up and began to ignore that bloody 'new topic' button and we may welcome you with open arms.
