[109thGWdandan]hallo,
sorry for crashin ya servrs, didnt mean to make this much of a problem, errrm, sorry for screwin
evry1's game up, it was annoyin cos GDE hav a problem with me and the rest of GW i think, i was
angry as well as TNT and i'm really sorry for screwin things up,
sorry dudes,
dandan

ping bomb away :rolleyes:
