Rolling Stone has got to be the shittiest magazine ever. SuperFlamingLiberal here would be a good writer for them.

Also, read another one of his moronic articles. He thinks that the Democratic Party is drifting right. Is he fucking insane.

<http://indyweek.com/durham/2000-08-23/cover.html>

Quote:I'm hunting down liberals in the North Carolina delegation. I want to find out what those on the left think about their party's rightward drift--and how they feel about nominating for president the champion of NAFTA, welfare reform and "reinventing government."
