@ACK

I do not always come on just to reply to you. I happen to know Arw4n who asked me to look at his model ad when I came on you had already replied and made a fool of yourself. Believe it or not my life does not revolve around you . Now can we please get back on topic? You are starting to bore me now. To quote Benito Mussolini when talking about Adolf Hitler:

You are like "a gramophone with just seven tunes and once he have finished playing them he started all over again"

General Comment

So anyway. I do like the model, (apart from the sholder pads) so I might use it.
