icedog90Okay, half of the people who agreed in Flyingfox's topic have just broken their vowel. You guys are impossible.

Gbull, DJM, and IRON-FART are pretty much the only ones who seem to just lack the intelligence for not replying to Aircraftkiller. IT'S SO EASY JUST TO IGNORE, SO DO IT PLEASE.

I have one post in this thread other than this one and I'm in the list? Whatever.....I'll just keep ACK on the ignore list so your ignorant comments have no bearing any further. Then everyone wins. I dont have to listen to an asshole, and you no longer have to hear me complain about him. and IRON FART is right, this forum is beginning to become a joke because of mindless flame wars and the child-like characteristics of people who ironically, are in their twenties.
