maytridyQuote:The retarded heavy metal crack head that committed suicide?
Hey man, i may be against CapKurt, but nobody dis's Kurt Cobain, the greatest thing that happened to rock.
yeah...it's always a good thing to speak bad of the dead...especially someone as influential as Kurt Cobain...I mean...he only saved probably a few hundred people from killing themselves by doing so. He was one of the most influential characters of the decade...if not the century...whether you like it or not.
