Umm... :rolleyes:

Quote:CONQUEST ISLAND !111111111

Quote:Did you all forget the Service Depot in that map is worth like 600 points a shot with a Grenadier?

Quote:We always do our best to either have the creator fix the bugs or get the source files so we can do it ourselves. Keep that in mind.

Quote:Quote:Chronojam wrote:

It should be made clear at the top of these posts/polls that map bugs WILL be fixed, some people seem to miss that.

I side with Jammy... I would be happy to help provide them if needed. I've played fan maps for along time on many servers. I could write a novel with all the bugs I know lol.

Umm... :rolleyes:

Anyways, voted for terrace
