msgtpainAircraftkillerI doubt any of you stickboys could harm one another.

Stickmen? lol.. what are you, 6'5 and 160 lbs? They could probably blow and knock you over.

I made my living in High School beating the hell out of 300+ pound lineman. I'm only 205, i'll let you decide whether I could do damage to someone or not. Then again, 205 pounds going at a rate of speed of 4.6 seconds for every 40 yards is gonna hit anything damn hard.

btw, I also benched 250lbs. my Senior Year in High School.
