CrimsonI find it to be disgusting. I wish there were a test and a marriage requirement to breed.

I could not agree more. My gf's sister is on her 3rd kid now and she can't pay for the 2 she has so guess who's gonna foot the bill? Probably our tax dollars. Things like that piss me off. If you can't take care of a baby then keep it in your pants, or your legs closed depending on your gender. nuff said.
