dude#1Huulhaali want to create a website on renegade downloads , so i need lots of spaces if you guys know any website that i can host my own website than plz tell me.

lol. i wouldn't bother with this n00b. All he did with his old one was take use links to downloads on other sites. After awhile he started spamming (did a bad job at it too) my site. Tis annoying.

yea and do u know how gay this bisen 11 dude is?
