Beanyheadj_ball430BeanyheadI'd rather have it this way. When you register you are registered on the forums as well, I wouldn't want the places to be on there. That's simply a place for people to discuss whatever's on their mind. However, don't hesitate to register... Please? Can you be any more pathetic?

Yes, just watch:

I'll have sexual intercourse with the next person who registers!!!111

OK.

Who wants to oil me up?
