CrimsonOr maybe it's because once upon a time he WAS helpful and created more maps that anyone, and the most popular maps still played today?

Once upon a time people admired Micheal Jackson.

Once upon a time before 1941, there were several million more jews.

Once upon a time Lucas was a good film maker.

Once upon a time "Hip-Hop" was (for the best) looked down upon.

Just because something used to be good, doesnt mean it should be allowed to happen/change.

EDIT: and no i dont mean MJ should be admired.
