142. When youve been playing for two years, and you still cant get but two god damn recs on those damn RG servers! (Most i ever got at one time. Now a bunch of idiots have !noob commanded me, and im at -5!) (That one didnt make so much sense, let me think of a better one...) 143. When your car gets stolen you start yelling "Destroy that Vehicle!" and "SBH! SBH!"

144. When your alarm goes off, you yell "CHECK THE WF AND REF AND BAR AND PP(Con Yard in most of AircraftKiller's maps aswell)! FUKING NUKE SBH!"
