---

Things to know:

1. Why cant we stop using oil and gasoline!
2. Why cant i just jack in and learn something in 5 seconds (Matrix)
3. Why cant i find a Jericho 941 FS and not an FB
4. Why must sm0king be bad for you?
5. Why cant they kill all STD's?!

Things to be done:

6. Drive over 200mph on the hwy (and survive)
7. Learn Japanese and Chinese
8. Stop eating at my down payment for a house and start addin some to it
9. Do a one haned push up while standin on my hands (soon)
10. Make Paris Hilton my slave (even sooner)

Why my generation the so called violent geneation who has grown up with video games blah blah are such fucking hippies.

heh you missed the cool generation by 5 or 6 years (mine)  
were all about killin each other round here
