icedog90mrpirateicedog90I am one of Jschultz's friends? Sorry, I have never met the guy in Renegade ever in my life. I would also like to know where I talked "shit" about "stuff" I don't know about.

OK, so you don't know anyone on either side of this argument. Perhaps--and this is only a guess--the thread could have gone on perfectly well without your constant grammar corrections. Fuck off, you little grammar nazi douchebag.

And it could of kept on going fine if you hadn't of posted that. The topic was still perfectly fine. Besides, if everyone ignored my post (except for that one person) then none of this would of happened. My "grammar corrections" aren't constant, that's just a random fact pulled out of your ass.

I'm sure everyone really appreciates your know-it-all posts that won't derail a thread, so long as no one reads them.
