Imagine a world where we should all do the same as you do. I don't like that game or idea so I do all I can to bash it.

I really don't like 'the sims' ... So by following you I should come the sims forum and bash it as much as I can...

Keep bashing us then if it makes you feel better... :rolleyes:

Let's see how more idiotic you can be. I will certainly watch that with some fun.
