Quote:I wasn't there, but I would like to make one small correction, if I may..

The alleged cheater.

Thanks

Coming from the guy who doesn't believe that RenGuard proves innocence in cheating, this is a really funny post. You're more than apt to consider everyone that kills you a cheater so long as you lose your \$1,000 n00b cannon with no proof of wrongdoing, why is Spooky's accusation any less credible than your own bullshit?
