AircraftkillerSir PhoenixxAircraftkillerSir PhoenixxAircraftkillerSounds really ghey... Almost like a parking garage.

Yeah you know what, I can see having the bases situated at the top of two mountain peaks "Almost like a parking garage". :rolleyes:

The diagram looks like a parking garage.

I don't give a damn what the map looks like, because the idea itself blows ass.

Lol, yeah the map must suck because of his Ms Paint drawing skills. :rolleyes:

Well, normally, you don't sketch out a parking garage when you're going to make a mountain.

I'd love to see you do better.
