AircraftkillerFunny how you had to bring in deth members to vote for it because nobody else liked it.

Why is that funny?

That map was in their server rotation for a long time and many dadeth, dajoint, SOQ and WNx people spent a lot of time playing that map. We loved it and we all hope that it gets in.

I understand that you like your maps and I have nothing against that I just don't understand why u think that is the only reason they are here. Look at some of their join dates. They have been here a long time and felt that this map belongs in a lot of servers rotations.
