Quote:ACK, imHo ... your just jalous that your make didn't come in first in the poll... and cause of that you start whining about the map that it sucks and other ppl voting for the map do too ...

Well, you're wrong. If you were right, so is everyone else; somehow I'm jealous of everything ever made because I don't like unfair practices. :rolleyes: You use some of the most impotent logic available to mankind, please cease and desist; better logic is found through taking longer than a half second to figure out your reply to a topic.

Quote: saying that everyone in the clan votes for the map made by DD is n00bish

And that's why "deth river" had only six votes before they had their clan come over and n00b vote it to above 20?

Quote:and do you even have a life?

Yes, I do.

Quote: ... yes read it a game!!1

How long did it take you to figure that one out?
