Directly pointed to Crimson and Blazer. You are keeping the forum of the Renegade Community. May I ask you to ban ack then.

Reasons?

Again, he shows 'leaked pics' of our work in progress. As owner of those forum and if you want to look serious and mature, you can't deny the fact that this kind of behaviour can't be tolerated in a community. Even more when speaking about someone who thinks Renegade is shit and is actually no more a dude involved in Renegade.

I don't know how he got those pics. But I strongly suggest we ban him for this. **STRONGLY!**
