Dude, you're a fucking retard. I don't give a shit about MTV. MTV can go kiss my ass. They showcase nothing but a bunch of no talent hacks who is only in it for the fucking money. Maybe you can go buy yourself talent in common sense with that money you made.

Rap is NOT about making a better life for yourself. Stop fooling yourself, retard. Don't tell me this "some people will never understand rap" bullshit. I listened to it for 6+ years, and it sure as hell is NOT about making money and a better life. If it was, then wouldn't rap be a little more upbeat? Wouldn't it be a little more positive rather than talking about bitches, hos, and gangs?

If you don't know who the Hell Lynyrd Skynyrd, then you're one stupid fucker. Hey, you're just like one of the kids in my brother's school! Congratulations for being a retard. Now fuck off, or start talking on topic.
