SickOptometristYeah - could be my friend's band - Challenge Theory - they are actually gonna rattle my roof tiles tonight at our party!

Here's some samples-

"Ain't Going Back" <http://www.the-order.org/patsweb/01%20Track%201.wma>

"Hell Hole" <http://www.the-order.org/patsweb/02%20Track%202.wma>

"Expectations" <http://www.the-order.org/patsweb/03%20Track%203.wma>

"Glass Ceiling" <http://www.the-order.org/patsweb/04%20Track%204.wma>

"6 of 1" <http://www.the-order.org/patsweb/05%20Track%205.wma>

"SuckO - PopSong" <http://www.the-order.org/patsweb/06%20Track%206.wma>

The music is pretty good but the singer doesn't blend well in.
