Sniper_De7no dude... my parents both died because of an online program...

and you're a moron.

There are plenty of idiots who would say that because they hate RenGuard. The only reason why I thought it wasn't sarcastic was because of that reason. I'm not stupid, and I sure as hell wouldn't believe that they died because of a program, but people are stupid enough to say it without being sarcastic, so I'm going to go ahead and think that they're not being sarcastic.
