I was originally Dodongomon on the old forums and such.

Dodongo = Dudes from Zelda

I was Dodongoman but it sounded bad. I changed it to all O's. Dodongomon. And I did this before the pokemon and digimons became popular and now I get a million. IZ UR NAEM POKIMONZ!?

Now I use a different nick though; Doitle. Doitle is the name of Vicki's dog on Fairly Odd Parents. I love that show. When I heard that name it was the best name ever, and I took it.
