yea, i heard bout that, I think if we get a vertual petition and get enough ppl, we can get them to support it again, if not, we boycott! (lol, this might actually work, if we dont get any EA products, theyll be forced to support it, or theyll go outa business!) i really think this is a good idea, and im gonna start typin it up, still gotta think of a way to prove it isnt 1 person with a lotta names...
