Renardin6It's a third person view model you show us. First person view is more detailed.

Anyway :

http://moddb.com/images/cache/mods/63/631/gallery/water_26621.jpg

Inversion of the gun. So you can see the some animations. It looks better like that.

<http://www.reborn.communityteam.de/shotgun.rar> (video)

Why does the shotgun have so much recoil? Last time I checked, the Spas 12 doesn't give that much recoil.
