For those people that don't venture in to the mod forum>>>

This map is set in an ancient temple.

I created this map by taking inspiration from architecture created by ancient civilisations, such as Egyptian, Roman and Mayan, Also with Greek and even medieval influences.

Careful attention has been given to lighting to create atmosphere, space and focal points through out the temple.

The musical score is taken from the movie Water World titled Enola swims. Although it isn't exactly music-to-kill-to it creates an atmosphere that blends well with the maps visuals.
